

## Competitor Information EMMA Eurofinals Salzburg

The arrival and registration of the participants will begin on Wednesday, April 27 at 14:00 and ends at 19:00. The registration desk will be in **Hall 2/6** and will close **18:45**. Please park your car outside of Hall 2/6 and go to the registration desk to receive your registration sticker as well as tickets for entrance and parking.

Please make sure your registration sticker is placed in the front window. The cars will be organized and placed under supervision of the EMMA team. An EMMA official will guide you to the designated place. ESPL/ESQL and Tuning competitors are going to be placed in Hall 1. The registration fee for all categories is € 80,00 Euro. Additional starts cost an extra fee of € 20,00 Euro per class.

The registration contains **two** tickets for the EMMA "Get together", Friday evening 18:00 within the Halls 2/6. Additional Tickets can be bought at the EMMA Front Office for a price of **15,00 Euro** at **latest on Friday 12:00**.

**These Eurofinals are still the Eurofinals from 2019 and the 2018 Rulebook and Music Material will be used. The use of High Res Version is limited to the Expert Categories.**

**Please note that all cars must be inside on Wednesday, April 27 at latest 19:00.**

A competitor's briefing and introduction of the judging team will take place on Thursday, April 28 at 9:00 at the main stage in Hall 1. The judging procedure on Thursday will start at 10:00 in the morning and will end at 18:00 in the evening.

### **Sound Quality competition (SQ and MM)**

All categories will start according to the plan which is displayed at the front office Hall 2. In categories with more than 15 cars attending the SQ, **the class will be split in 2 and each part will be judged on SQ by 2 different SQ judge teams (Install will be done by one team for the whole class). The best 4 of each part will be judged again to determine the final result.**

All SQ cars will be judged with the single seat judging system. The judges will verify the sound quality only from the driver seat. No scores will be shown to the competitor. The final result will be the average of the scores.

### **ESPL, ESQ and Tuning competition**

The Installation judgement will be on Thursday, the measurements will be Friday & Saturday (Final). Please also listen carefully to all announcements at the stage. Measurements will take place in front of the stage in Hall 1. On Saturday at 10:00 the best two of the first ESPL round will compete against each other in front of the stage. The ceremony will start around 16:00.

**The Tracks used for the measurement procedure are**

**First Round: Track 17**

**Final Round: Track 19**

### **EVENT RULES**

**In addition to the rulebook and addendum the following rules are in effect during this Eurofinal:**

1. When a competitor is not with his car at the time of the judging for all Categories and Classes, 10 points will be deducted from his or her total score.
2. To inform the audience every competitor will have a wiring diagram visible to this audience. (in other words, please make a wiring diagram of your installation and make it visible to the audience).

**! Important information about noise-level !**

Please note, that we have to strictly follow the regulations of the exhibition and that we are in charge of the health of visitors and other exhibitors as well as of employees of the exhibition and the EMMA Team.

**No demonstration with open doors in non of the categories is allowed. Moderate background music is ok.**

**During the official ESPL/ESQL and Tuning Measurement of course it's ok.**

**The Head Judges will supervise and make sure that everybody will stick to this rule. If it is not working we will skip the rule completely for the whole exhibition and do not allow any noise at all. For those who are not following this rule the car's charger will be taken away and a 10 point deduction on the scoresheet will be noticed.**

**Official competition / judging times:**

- **Thursday:** All SQ classes, Multi Media, EMMA Tuning, ESPL/ESQL (from 10:00 – 18:00)
- **Friday:** All SQ classes, Multi Media, EMMA Tuning, ESPL/ESQL (From 09:00 – 18:00)
- **Saturday:** ESPL Final (from 10:00 – 13:00, 16:00 Award Ceremony)

**Please note:** Driving inside the halls is strictly forbidden. All cars have to be pushed by hand. All ESPL, EMMA Tuning and ESQL competitors will be measured in front of the main stage in Hall 1. A list with the judging order will be displayed at the back office.

Please make sure that your car will be presented to the visitors during the show. A closed car means deduction of points.

**Further important information:**

- Smoking inside of the hall is strictly forbidden
- If you need to take your car out of the hall you are allowed to leave in the evening between 18:00 and 19:00 and to enter in the morning between 8:00 and 8:30.
- If possible bring a fire extinguisher with you.

**SQ Entry & Skilled**

The competitor has to prove that his equipment was bought regularly in shops, the internet or elsewhere. Only written receipts will be accepted as proof. In case of a not 100% solid document the event director will disqualify the competitor.

### Limited Categories (Entry 3000, Skilled 4000, Master 5000, ESPL Trunk 1000)

All used products **HAVE TO BE LISTED** in the international EMMA Value Database, which you can find at [www.emmanet.com/value](http://www.emmanet.com/value). Please check if your products are in the database. If they are not, please make sure to have them added. Please contact your national organization and send them product info and proof of purchase to have those products added. You can add products from the database to your car info and print this sheet for the judges. Please bring your “EMMA Value Sheet” to the Eurofinals. All competitors in price-limited categories have to be able to show their “EMMA Value sheet” to the judges. If this sheet is not available or upon inspection or it contains incorrect information, the event director will disqualify any competitor whose equipment is not remaining within the estimated price limit.

### Car-PC = Self-made Equipment

In general all Car-PC will count as self-built equipment which leads to a participation in Master or higher category. Only equipment at which the competitor is able to verify that it was not modified in hard- or software (e.g. bought as a product bundle) is allowed to be used in lower categories/classes.
